External RMM Pack now available

The **External Version of the 2006 – 2008 RMM** is now available through the API National Office. Please download the Registration Form from the API National website **www.api.org.au** (using the left navigation bars, click on the *Careers/Education* link, then click on *Continuing Professional Development*, scroll down the page and click on the *Order Form* link) and follow the Instructions to receive the External RMM Pack.

Alternatively, a Registration Form is available from the API National Office by calling 02 62822411.

For members who are required to complete the RMM, the National Council passed the resolution on the 25th Nov 2006 that Members had 3 months from the date the External Module is made available to complete the Module to avoid possible breaches of the By-Laws. The 3 months will commence from the date of this notification. The cost of the Module is the same as for face-to-face participants \$242 for members and \$396 for non-members.
